About IP3

IP3 is a leading global provider of Public-Private Partnership (PPP) consulting and capacity building services. IP3 provides institutional support to public and private sector entities engaged in PPP projects around the world, helping mobilize private sector expertise and resources to enhance the quality and availability of infrastructure for public services.

IP3 has trained more than 35,000 officials from over 175 countries on PPP programs and opportunities, regulation operations and management initiatives, competitive utility management reform, and public policy and good governance.

Our experts have worked with more than 600 government agencies, ministries, and organizations, including some of the world’s most influential institutions:

- African Development Bank (AFDB)
- Asian Development Bank (ADB)
- Caribbean Electric Utility Services Corporation (CARILEC)
- Inter-American Development Bank (IDB)
- U.S. Environmental Protection Agency (EPA)
- U.S. Agency for International Development (USAID)
- U.S. Army Corps of Engineers (USACE)
- The World Bank Group (WBG)
