

## P-13 Transaction Toolkit for PPP Procurement

### Course Description

*P-13 Transaction Toolkit for PPP Procurement* focuses on reviewing and explaining the key documents and processes typically used in the transaction phase of the project cycle.

Through both lectures and hands-on exercises, participants will gain an understanding of the procurement process for PPPs.

Drawing on available sources from several countries, and the World Bank PPP Knowledge Lab, the course examines critical documents and activities involved in the procurement of PPPs.

### Learning Outcomes

Through successful completion of this course, participants will be able to:

- Outline an information memorandum for a PPP procurement and oversee & review advisors retained to design and draft an InfoMemo
- Outline a request for qualification (RFQ) for PPPs and review RFQ evaluation criteria
- Identify the main components of a request for proposal (RFP) and evaluation criteria
- Compare and contrast alternative arrangements to international competitive bidding and assess the strengths and weaknesses of each technique
- Identify best practices for organizing and running the PPP procurement team

### Online Learning at its Best

IP3's two-week online courses allow participants to interact with top instructors and their own peers to develop a more in-depth understanding of the PPP landscape.

These courses "meet" online for live video webinar sessions that deliver students the opportunity to ask questions and receive speedy answers, much like our in-classroom courses. In between sessions, students have access to myriad resources, including video presentations, interactive discussion forums, and quizzes and knowledge checks.
